

Specialty Products & Systems

Where tomorrow meets today. Focused on Safety and reliability, SPS was formed for you. We specialize in Loading Systems, Meter Applications, Tank Inventory, Pipeline Valves and Fall Protection. Full Installation and Turnkey solutions. WBE Certified

Loading Systems

OPW Loading arms, Swivel joints, Visa Flow site indicators, **Liquip** API coupler
Civacon grounding systems, cord and plug sets, overfill
 Products, **FMC** Marine Loading and Chiksan Swivels

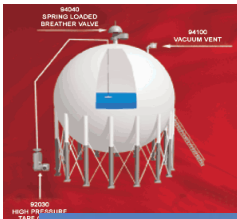

Metering Applications

Brodie Bi Rotor + meters, strainers, Control Valves
 Spare parts for FMC Smith meters and presets
Micro Motion Mass flow/ Density meters
 Biodiesel/ Ethanol Blending skids,
Honeywell Monoblocks and Smart additive injectors, Mercaptan inject
 Honeywell Enraf Calibron Provers
GPI Turbine Flow meters

Tank Inventory Systems

Honeywell & Varec
 Float & Tape, Servo & Radar Gauges, Averaging temp
 Inventory management Systems
OCECO/ S&J Pressure Vacuum Vents, Hatches, water draw valves

Valves and Automation

API6D pipeline valves, rising stem BV, slab
 gate, wedge gate, check valves, DBB, 150-2500# class, 2-60"
Franklin DBB Valves, HPBFV, **Durco** plug
 Field service, aftermarket, repair

AT/ TRIAC Controls

Fall Protection/ Safety

Gangways, Platforms, Marine loading
 Cross overs, Bridges, Safety ladders, Personal Fall
 arrest systems per OSHA 1926.502. Spill Containment
 Portable Systems, Gas Monitors, FPS Lanyard systems
Haws Eyewash stations and safety showers
 Self Closing Safety Gates

*Additional Services Available; Hose division, Valves and Actuation center, Installation, Skids, Inline Pigging systems
MERCER Relief Valves*

"Superior Customer Service"

*Geographical limitations may apply to some manufacturers
