

For single source efficiency, choose SPS

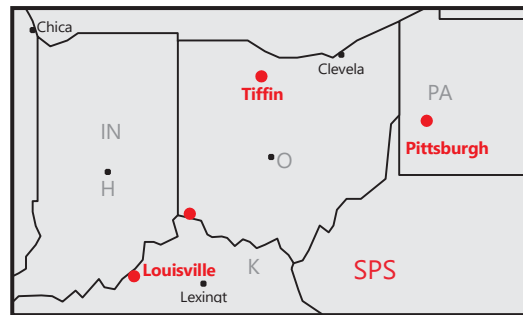

SPS understands the uniqueness of the petro/ chemical and power industry. Having partnered with the Leading Manufacturers, we bring extensive experience and resources to facilitate a *single source solution*.

Specialty Products & Systems was established to make sure their customers have what they need, when they need it, at the lowest cost. SPS specializes in Meters, Fall Protection, Safety Equipment, Loading Arms, Safety Showers, Valves and Automation, Tank Gauging and Small Volume Provers.

From single components to complete skids and fabrication in-house, **Specialty Products & Systems is your partner.**

**OIL, GAS AND
REFINING CHEMICAL
PROCESSING POWER
& ENERGY**

SPS is a Veteran Owned Company

SPECIALTY PRODUCTS & SYSTEMS

Specializing in Loading Systems, Meter Applications, Tank Inventory, Valves, Automation and Fall Protection.

MEASUREMENT

- Custody Transfer Meters
- BiRotor
- Positive Displacement
- Turbine
- Ultrasonic
- Coriolis Mass Flow
- Small Volume Provers
- Large Volume Ball Prover
- Presets/ Additive Injection
- Mercaptan injection
- Micro Dose injection/
- Additive pump skids
- Piston Control Valves
- TAS terminal automation system

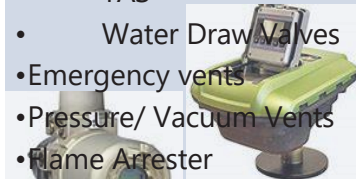

SAFETY & FALL PROTECTION

- Gangways and Safety cages
- Platforms
- PTA Portable Truck Access
- Dike/pipe cross overs
- Modular platforms
- Fall Arrest systems
- Lanyard safety
- Spill Containment
- Safety ladders & cages
- Swing Gates
- Guardrail systems for rooftops
- Eyewash Stations
- Combinations shower/eyewash units
- Temperature Water

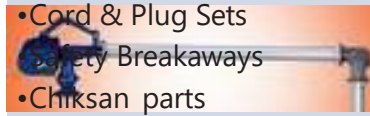

TANK GAUGING & EQUIPMENT

- ATG Float & Tape
- Board Gauges
- Servo
- Radar
- Average Temperature probes
- RTD
- Thermometers/ Pressure transmitters
- Inventory Control
- TAS
- Water Draw Valves
- Emergency vents
- Pressure/ Vacuum Vents
- Flame Arrester

LOADING SYSTEMS

- Loading Arms
- Swivel Joints
- DSF swivel joints
- API Load Couplers
- VISA flow indicators
- Drum and Tote fillers
- Electronic Grounding Systems
- Electronic Optic/ Thermal overflow verification
- Cane probes
- Cord & Plug Sets
- Safety Breakaways
- Chiksan parts

VALVES AND ACTUATORS

- API6A and API6D Pipeline Valves
- Trunion BV
- Wedge, Slab, Expanding Gates check valves,
- Double Block and Bleed,
- Rising Stem Ball Valves
- Butterfly & HPBFV,
- Teflon lined,
- Sample Valves,
- Modified Valves, repair and reconditioning,
- Filters
- Relief Valves
- Electric & Pneumatic,
